Our school had participated in an interschool Science tech fest organized by AG Church, Tollygunge. There were specialized events based on Physics, Chemistry, Biology, Maths, Computer Science and some generalized events - both online and offline.
Our students (classes 9-12) have been appreciated in all categories and have secured positions for the following events:

1. A.D. Aryan of class IX (3rd)- Technographix (Physics)

2. Saptarshi Basu and Sayan Dolui of class X (2nd)- Techkriti (Computer Science)

3. Hridesh Chakraborty (2nd)- Spotlight (mime acting)

All winners have received certificates of merit and participants have received certificates for participation.
